Notes:

- A 'Junior' is a person under 18 on 1 January 2018.
- 'Family' and 'Partner' designations assume residence at the same address as a 'lead' member who is a Senior.
- The SSA also recognises the status of being a 'student' in full-time education, or being 'unwaged or unemployed' (if you receive a state pension, then you are not 'unwaged', sorry) as qualifying for reduced-price club membership.
- The BMFA also recognises 'student' status, but requires proof of status.

If all of this sounds complicated, please ring or email.

Data Protection:

- Your details will be held on Andy's personal computer to help distribute Gladys and communicate with you.
- Your email address will be passed to the Secretary who will use it in a general address list when communicating information to the membership.
- If you have requested BMFA insurance, the necessary details will be passed to the BMFA.
- Your details will not be forwarded to any other organisation except when expressly required under the law.

Circulated Membership List

Can we include your name, telephone number, and post code in a list of members to be included with the club magazine once a year? **Yes / No**

[If you do not indicate your wishes, or you indicate No, your details will not appear on the list.]

'Electronic Gladys' (Club magazine)

If you would like to view Gladys on the club's website, rather than receive a printed copy of the magazine, please indicate below.

We will send an email notification when a new Gladys is available – to do this we need your up-to-date email address.

Please note that accepting the electronic version will not result in a decrease in your annual SSA fee (sorry)!
